Year 3

Year 3 have had the opportunity today to present their ideas about how to develop land at Earnse Bay with the Eden Project North, so it can be used by the whole community. Representatives from “Brilliant Barrow” loved seeing their very professional presentations. Let’s hope some of the children’s dreams become reality!

Year 4-Bright Stars

Will, the Graphic Designer at Oxley’s, came into class to give the children tips on designing their marketing materials for their environmental campaign. They have decided on a company name “Bugtastic Academy” and a slogan “Save Bugs to Save the World”

They have had a question and answer session with local MP Simon Fell and Barrow Mayor Helen Wall on how to run a campaign, so they are all set to go.....

Watch this space!

Year 4 Lego City

Year 4 have enjoyed an extra special Design Technology day. Stephen Pilling of Creative Builders Workshops has been in school showing the children how to build a Lego City!

The whole classroom was turned into a City with houses, roads and working lights. They had a great day and were a credit to our school.

Year 5 Bikeability

Our Year 5 students have been loving getting out and about on their bikes, learning how to be safe on the roads, and the weather has been kind to them, so that always helps!

Victoria Academy Newsletter

YEAR 6

This week Year 6 have been investigating the reflectivity of light. The children had great fun in a darkened room with torches and different materials deciding which material reflected the most light.

Parking Concerns

Just a reminder when you are dropping off or picking up your child from school, please do not park on double yellow lines, block people's drives or park on the school zig zags outside school. Our children's safety is paramount and we will have some enforcement officers patrolling outside. Thank you.

A date for the diary

Our Annual sports day will be held the 9th July in the afternoon. We look forward to seeing you!

Reading Book Amnesty

We have many reading books outstanding from our first lock down. Please could you have a look around at home and any reading books can be placed in the box under the table at reception. We really need books back to help our children develop reading skills. Our Library is looking very depleted! **PLEASE return our books.** Thank you.
